GENERAL AMERICAN INVESTORS COMPANY, INC.

450 LEXINGTON AVENUE • NEW YORK • N.Y. 10017

PROXY STATEMENT

March 2, 2004

This statement is furnished in connection with the solicitation by the Board of Directors of General American Investors Company, Inc. (hereinafter called the "Company" or the "Corporation") of proxies to be used at the annual meeting of stockholders of the Company, to be held at The Century Association, 7 West 43rd Street, New York City, N.Y., on Wednesday, April 14, 2004 at 10:00 a.m. (and at any adjournment or adjournments thereof) for the purposes set forth in the accompanying Notice of Annual Meeting of Stockholders. Stockholders who execute proxies retain the right to revoke them at any time insofar as they have not been exercised, by written notice to the Secretary of the Company or by attendance at the Annual Meeting.

The close of business on February 23, 2004 has been fixed as the record date for the determination of the stockholders entitled to notice of, and to vote at, the meeting.

Proxies returned will be voted in accordance with the instructions thereon or, if no instructions are indicated, in favor of the directors named herein and to approve the appointment of Ernst & Young LLP as auditors.

As of February 23, 2004, the Company had outstanding 29,598,863 shares of Common Stock, \$1 par value, and 8,000,000 shares of 5.95% Cumulative Preferred Stock, Series B ("Preferred Stock"), \$1 par value, each share carrying one vote.

The Annual Report of the Company, including audited financial statements for the fiscal year ended December 31, 2003, has previously been furnished to all stockholders of the Company. This proxy statement and form of proxy are first being mailed to stockholders on or about March 2, 2004. The Company will provide, without charge, additional copies of the Annual Report to any stockholder upon request by calling Carole Anne Clementi, corporate secretary of the Company, at 1-800-436-8401.

The Company intends to treat properly executed proxies that are marked "abstain" or "withhold," including "broker non-votes" (that is, a proxy from a broker or nominee indicating that such person has not received instructions from the beneficial owner or other person entitled to vote shares on a particular matter with respect to which the broker or nominee does not have discretionary power), as present for purposes of determining the existence of a quorum for the transaction of business. A quorum will consist of a majority of the shares of stock of the Company entitled to vote on a matter at the meeting, present in person or represented by proxy. The election of the Company's directors requires a plurality of the votes of the shares present or represented by proxy at the meeting and entitled to vote on the election. In the election of directors, votes may be cast in favor of or withheld with respect to any or all nominees; votes that are withheld will be excluded entirely from the vote and will have no effect on the outcome of the vote. The affirmative vote of the holders of a majority of the outstanding shares present in person or represented by proxy and entitled to vote on the matter is required to ratify the appointment of Ernst & Young LLP. In accordance with Delaware law, only votes cast "for" a matter constitute affirmative votes. Accordingly, votes that are withheld or abstentions from voting are not votes cast "for" a particular matter, and such votes have the same effect as negative votes or votes "against" a particular matter. Because of the routine nature of the items of business presented in this proxy statement, the rules of The New York Stock Exchange, Inc. permit member brokers who do not receive instructions from their customers who are beneficial owners of the Company's shares to vote their customer's shares on these items of business.

A. *Respecting the Election of Directors*

At the meeting, ten directors are to be elected to hold office until the annual meeting of stockholders next ensuing after their election and until their respective successors are elected and shall have qualified. Eight directors are to be elected by the holders of both the Company's Common Stock and its Preferred Stock, voting together as a single class, and two directors are to be elected only by the holders of the Company's Preferred Stock. Directors are to be elected by a plurality of the vote of shares present in person or represented by proxy at the meeting and entitled to vote on Directors. Stockholders vote at the meeting by casting ballots (in person or by proxy) which are tabulated by one or two persons, appointed at the meeting, who serve as Inspectors of Election at the meeting and who execute an oath to discharge their duties. It is the intention of the persons named in the accompanying form of proxy to nominate and to vote such proxy for the election of persons named below or, if any such persons should be unable to serve, for the election of such other person or persons as shall be determined by the persons named in the proxy in accordance with their judgment. All of the persons named below are incumbent directors. They have agreed to serve if elected. Information in the following table is as of December 31, 2003.

The Audit Committee consists of the following directors: Mr. Sidney R. Knafel, Chairman, Mr. Arthur G. Altschul, Jr., Mr. Lawrence B. Buttenwieser, Mr. Lewis B. Cullman and Mr. John D. Gordan, III. These directors are independent of management and the Company. Each of them is also "independent" as such term is defined in The New York Stock Exchange listing standards applicable to the Company. The organization and responsibilities of the Audit Committee are set forth in the Audit Committee Charter (Exhibit A), which has been reviewed by the Audit Committee and approved and adopted by the Board of Directors. Generally, the Audit Committee assists the Board of Directors in its oversight of the Company's accounting and financial reporting and internal controls, the independent audit of the Company's financial statements, the selection of the independent auditors and the evaluation of the independence of the independent auditors. The Report of the Audit Committee is set forth in Exhibit B. The Audit Committee met three times during the fiscal year, on January 15, July 21 and December 10, 2003, and once after the end of the fiscal year, on January 14, 2004.

The Compensation Committee consists of the following directors: Mr. Joseph T. Stewart, Jr., Chairman, Mr. Arthur G. Altschul, Jr., Mr. Lawrence B. Buttenwieser, Mr. Sidney R. Knafel, Mr. Richard R. Pivrotto and Mr. Raymond S. Trough; and Mr. Lewis B. Cullman and Dr. Gerald M. Edelman, alternates. Generally, for the Company, the Compensation Committee reviews the operations of the Company and performance and contributions made during each year by its officers and employees, reviews management proposals for year-end supplemental compensation and levels of compensation for the ensuing year, reviews comparable operating and compensation data of other companies in the investment industry including information and trends provided by an outside consulting firm, and makes recommendations on matters of compensation to the Board of Directors. The Committee met once during the fiscal year, on December 10, 2003.

The Executive Committee consists of the following directors: Mr. Richard R. Pivrotto, Chairman, Mr. Lawrence B. Buttenwieser, Mr. Spencer Davidson (an "interested person" of the Company), Dr. Gerald M. Edelman, and Mr. Joseph T. Stewart, Jr.; and Mr. John D. Gordan, III, alternate. The Committee met once during the fiscal year, on March 3, 2003.

The Nominating Committee consists of the following directors (all of the Company's directors who are not "interested persons" of the Company, as defined in Section 2(a)19 of the Investment Company Act of 1940, as amended): Mr. Richard R. Stewart, Jr. and Mr. Raymond S. Trough. The organization and responsibilities of the Nominating Committee are set forth in the Nominating Committee Charter located on the Company's website at www.generalamericaninvestors.com. Generally, the Nominating Committee is responsible for directing the process whereby individuals are selected and nominated to serve as direc-

tors of the Company. This includes canvassing, recruiting, interviewing and soliciting independent director candidates and making recommendations to the Board with respect to individuals to be nominated to serve as directors. In addition, the Committee will consider nominees recommended by, and respond to related inquiries received from, stockholders. The Committee does not expect to consider self-nominating stockholders. Criteria associated with candidates include factors such as judgment, skill, diversity, experience, the interplay of the candidate's experience with the experience of other board members and the extent to which the candidate would be a desirable addition to the board. All recommendations of a nominee must include biographical data regarding the nominee and the qualifications of the nominee, as well as the basis on which a nominee is or is not an "interested person" of the Company. Recommendations of nominees should be submitted in writing to the Chairman of the Nominating Committee, Mr. Richard R. Pivrotto, at the office of the Company. The Committee did not meet during the fiscal year. The meeting scheduled to be held in December 2003 was postponed in order to accommodate new requirements regarding nominating committees adopted by the Securities and Exchange Commission on November 24, 2003 and the Nominating Committee met once following the end of the fiscal year, on January 14, 2004.

Stockholder Communications with the Board of Directors

The Board of Directors provides a process for the Company's Stockholders to send communications to the Board. This can be accomplished by addressing a communication to the Board of Directors or to one or more individual Directors at the office of the Company. Items marked "personal and confidential" would be forwarded to the addressee, unopened; otherwise, communications would be opened and reviewed by the Company's Corporate Secretary who would draft a response with the assistance of other corporate officers and individual Directors (or the entire Board), as deemed necessary. Copies of responses, together with the related original communication, would be provided to each member of the Board, the Chairman of the Board or individual Directors, as deemed appropriate.

All Directors are encouraged to attend the annual meeting of the Stockholders of the Company. Last year, at the Company's annual meeting on April 9, 2003, all of the Directors were in attendance.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires the Company's officers and directors and certain other persons to file timely certain reports regarding ownership of, and transactions in, the Company's securities with the Securities and Exchange Commission. Copies of the required filings must also be furnished to the Company.

Based solely on its review of such forms received by it, or written representations from certain reporting persons, the Company believes that during 2003 all applicable Section 16(a) filing requirements were met, except that the Form 4 required to be filed by Lawrence B. Bittenwieser for a transaction on December 24, 2003 was filed late.

¹ The amounts shown in this column represent the Company's payments made during 2003 to the trustee of the Company's Employees' Thrift Plan, as described below, or accounting reserves established during 2003 under the Company's Excess Contribution Plan, as described below, on behalf of the respective individuals.

During 2003, each director who was not a paid officer of the Company received a fee of \$10,000 as an annual retainer, a fee of \$500 for attendance at each Directors' meeting and \$500 for each Committee meeting which he attended in his capacity as a Director. Beginning in 2004, the annual retainer will remain at \$10,000 and the fee for attendance at each Directors' or Committee meeting will increase to \$1,000 (\$750 if participation is by telephone).

With respect to the Company's Employees' Thrift Plan, the Company matches 150% of an employee's contributions up to 8% of basic salary to the plan. Company contributions are invested in shares of the Company's common stock. An employee's interest in Company contributions to his account is fully vested after six years of service. Partial vesting begins after two years of participation in the plan. All employees, including officers, are eligible to participate in the Thrift Plan after six months of service with the Company. Employees whose annual compensation exceeds \$150,000 are required to invest their future contributions to the plan in shares of the Company's common stock, and their existing plan balances will be converted into the Company's common stock over the three years next succeeding the attainment of that compensation level.

The Company has an Employees' Retirement Plan which is broadly characterized as a defined benefit plan. The Company contributes to the trustee for the plan annual costs which include actuarially determined current service costs and amortization of prior service costs. Retirement benefits are based on final average earnings (basic salary and, beginning in 2000, bonuses, but only for non-highly compensated employees, exclusive of bonuses for highly compensated employees, overtime, commissions, pension, retainer fees, fees under contracts or any other forms of additional or special compensation, for the five consecutive years in which the participant had the highest basic salary during the last ten years of service) and years of credited service, less an offset for social security covered compensation, plus an additional amount equal to \$50 for each year of credited service. All employees, including officers, over age 21 commence participation in the plan after one year of service and are fully vested after six years of service. Partial vesting begins after two years of service. Participants are eligible to receive normal retirement benefits at age 65. In certain instances, a reduced benefit may begin upon retirement between ages 55 and 65.

The following table shows the estimated annual retirement benefits (including amounts attributable to the Company's Excess Benefit Plan, as described below), which are subject to a deduction based on a portion of social security covered compensation, payable on a straight life annuity basis, at normal retirement date to all eligible employees, including officers, in specified compensation and years-of-service classifications:

<i>Final Average Earnings</i>	<i>Estimated Annual Benefits Based Upon Years of Credited Service</i>			
	<i>10</i>	<i>20</i>	<i>30</i>	<i>40</i>
\$100,000	\$16,830	\$33,665	\$50,495	\$61,900
200,000	33,120	66,245	99,365	121,630
300,000	49,410	98,825	148,235	181,360

600,000	98,280	196,565	294,845	360,550

For each of the officers of the Company listed in the compensation table on page 7, the following indicates his years of credited service in the Company's Retirement Plan and basic salary for 2003. Spencer Davidson (9) \$600,000, Andrew V. Vindigni (15) \$400,000 and Eugene L. DeStaebler, Jr. (27) \$300,000.

The Company also has Excess Contribution and Excess Benefit Plans. Under such plans, the Company may establish accounting reserves and make payments directly to selected participants in the Company's Thrift and Retirement Plans, respectively, to the extent the levels of contributions or benefits for such participants under such plans are limited by sections 415, 416 and/or 401(a)(17) of the Internal Revenue Code. Such benefits commence at the time benefits commence under the related tax-qualified plan. Messrs. Davidson, Vindigni and DeStaebler are participants in both the Excess Contribution and Excess Benefit Plans.

B. *Respecting the Ratification and Approval of Appointment of Auditors by the Board of Directors*

Proposal (b) set forth in the accompanying Notice of Annual Meeting of Stockholders is the ratification or rejection of the action taken in the following resolutions unanimously adopted by the Board of Directors (a majority of non-interested directors voting in person) approving the appointment by the Audit Committee of the Company of the firm of Ernst & Young LLP to be the auditors of the Company for the fiscal year ending December 31, 2004.

"RESOLVED, that the appointment by the Audit Committee of the firm of Ernst & Young LLP to be the auditors of the Company with respect to its operations for the year 2004 be and it hereby is approved; and further

"RESOLVED, that such auditors be and they hereby are authorized and instructed to conduct an audit, in accordance with auditing standards generally accepted in the United States, of the financial statements of the Company as of and for the year ending December 31, 2004; and further

"RESOLVED, that such auditors be and they hereby are authorized and instructed to conduct a review, in accordance with standards established by the American Institute of Certified Public Accountants, of the interim financial statements of the Company as of and for the six months ending June 30, 2004; and further

"RESOLVED, that such appointment shall terminate (without penalty to the Company) in the event that it shall be rejected at the annual meeting of the stockholders of the Company in 2004; and further

"RESOLVED, that such appointment shall terminate (without penalty to the Company) if a majority (as defined in the Investment Company Act of 1940) of the outstanding voting securities of the Company at any meeting called for the purpose shall vote to terminate such appointment; and further

"RESOLVED, that the report of such auditors expressing their opinion with respect to the financial statements above described and the report of such auditors with respect to the review above described shall be addressed to the Board of Directors of the Company and to the stockholders thereof."

While the rules under the Investment Company Act of 1940, as amended, would permit the Company not to submit to stockholders the ratification of the selection of Ernst & Young LLP as the Company's auditors, it is being done because it continues the Company's long standing practice to do so and the Company believes that it is good corporate practice.

A representative of Ernst & Young LLP will attend the Annual Meeting to respond to appropriate questions and will have the opportunity to make a statement. Stockholders who wish to submit questions in advance to the auditors may do so in writing to Mr. Michael D. DiLecce, Partner, Ernst & Young LLP, 5 Times Square, New York, NY 10036.

C. *Respecting Other Matters Which May Come Before the Meeting*

The Board of Directors of the Company does not know of any other matters which may come before the meeting. However, if any other matters, of which the Board of Directors is not now aware, are properly presented for action before the meeting, including any questions as to the adjournment of the meeting, it is the intention of the persons named in the accompanying form of proxy to vote such proxy in accordance with their judgment on such matters.

D. *Allocation of Portfolio Brokerage*

Brokerage commissions paid by the Company during 2003 were \$713,090.

The Company's general policy regarding the execution of securities transactions is to select brokers and dealers on the basis of the most favorable markets, prices and execution of orders. A certain amount of the Company's securities transactions are placed with brokers and dealers who provide brokerage and research services and in these circumstances the commissions paid may be higher than those which might otherwise have been paid to another broker or dealer if those services had not been provided.

Research services generally include receipt of written reports, attendance at meetings or participation in discussions with respect to specific subjects, such as a company, an industry or the economic outlook. Block availability is also a consideration in determining the selection of brokers.

In negotiating brokerage commissions on securities transactions, the Company's trader, with his awareness of competitive rates, negotiates the most favorable commission to effect a particular transaction. Size of order and difficulty of execution are considerations in the negotiation. All transactions, including the commission factor, are subject to supervision and review by the Company's officers.

E. *Portfolio Turnover Rate*

The annual rate of the total portfolio turnover for the fiscal year ended December 31, 2003 was 18.62%.

F. *Stockholder Proposals*

In order for a stockholder proposal to be considered for inclusion in the Company's proxy material relating to its 2005 annual meeting of stockholders, the stockholder proposal must be received by the Company no later than November 2, 2004, and must comply with certain other rules and regulations promulgated by the Securities and Exchange Commission.

The persons named as appointees for the 2005 annual meeting of stockholders will have discretionary authority to vote on any matter presented by a stockholder for action at that meeting unless the Company receives notice of the matter by January 16, 2005, in which case these persons will not have discretionary voting authority except as provided in the Securities and Exchange Commission's rules governing stockholder proposals.

The expense of the solicitation of proxies for this meeting will be borne by the Company. In addition to mailing copies of this material to stockholders, the Company will request persons who hold stock for others, in their names or custody or in the names of nominees, to forward copies of such material to those persons for whom they hold stock of the Company and to request authority for the execution of the proxies. The Company may reimburse such persons for their out-of-pocket expenses incurred in connection therewith.

It is important that proxies be returned promptly. Therefore, stockholders who do not expect to attend in person and who wish their stock to be voted are urged to fill in, sign and return the accompanying form of proxy in the enclosed envelope.

Audit Committee Charter

Committee Membership:

The Audit Committee of General American Investors Company, Inc. (the "Company") shall be comprised of at least three directors, each of whom shall not be an "interested person," as defined in Section 2(a)19 of the Investment Company Act of 1940, as amended, (the "1940 Act") of the Company and who is otherwise "independent" under Rule 10A-3 under the Securities Exchange Act of 1934, as amended.¹ The Board of Directors (the "Board") shall determine that each member is "financially literate," and that at least one member of the Audit Committee has "accounting or related financial management expertise," as such qualifications are interpreted by the Board in its business judgment. In addition, the Board shall determine whether any member of the Audit Committee is an "audit committee financial expert," as defined by the Securities and Exchange Commission (the "SEC").

No director may serve as a member of the Audit Committee if such director serves on the audit committees of more than two other public companies unless the Board determines that such simultaneous service would not impair the ability of such director to effectively serve on the Audit Committee.

Members shall be appointed by the Board and shall serve at the pleasure of the Board and for such term or terms as the Board may determine.

Committee Purposes:

The purposes of the Audit Committee are to:

1. assist Board oversight of (i) the integrity of the Company's financial statements, (ii) the Company's compliance with legal and regulatory requirements, (iii) the independent auditors' qualifications and independence, and (iv) the performance of the independent auditors; and
2. prepare an audit committee report as required by the SEC for inclusion in the Company's annual proxy statement.

The function of the Audit Committee is oversight. The management of the Company is responsible for the preparation, presentation and integrity of the Company's financial statements and for effectiveness of internal control over financial reporting. Management is responsible for maintaining appropriate accounting and financial reporting principles and policies and internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. The independent auditors are responsible for planning and carrying out proper audits and reviews of the Company's financial statements. In fulfilling their responsibilities hereunder, it is recognized that members of the Audit Committee are not full-time employees of the Company and are not, and do not represent themselves to be, performing the functions of auditors or accountants. As such, it is not the duty or responsibility of the Audit Committee or its members to conduct "field work" or other types of auditing or accounting reviews or procedures or to set auditor independence standards.

The independent auditors shall submit to the Company annually a formal written statement (the "Auditors' Statement") describing: the auditors' internal quality-control procedures; any material issues raised by the most recent internal quality-control review or peer review of the auditors, or by any inquiry or investigation by governmental or professional authorities, within the preceding five years, respecting one or more independent audits carried out by the auditors, and any steps taken to deal with any such issues; and (to assess the auditors' independence) all relationships between the independent auditors and the Company, including at least the matters set forth in Independence Standards Board Standard No. 1.

The independent auditors shall submit to the Company annually a formal written statement of the fees billed in each of the last two fiscal years for each of the following categories of services rendered by the independent auditors: (i) the audit of the Company's annual financial statements and the review(s) of the Company's interim financial statements or services that normally are provided by the independent auditors in connection with statutory and regulatory filings or engagements; (ii) assurance and related services not included in clause (i) that are reasonably related to the performance of the audit or review of the Company's financial statements, in the aggregate and by each service; (iii) tax compliance, tax advice and tax planning services, in the aggregate and by each service; and (iv) all other products and services rendered by the independent auditors, in the aggregate and by each service.

¹To be considered "independent" under Rule 10A-3 an audit committee member may not (other than in his capacity as a member of the audit committee, the board of directors, or any other board committee) accept directly or indirectly any consulting, advisory, or other compensatory fee from the Company. Compensatory fees do not include the receipt of fixed amounts of compensation under a retirement plan (including deferred compensation) for prior service with the Company (provided that such compensation is not contingent in any way on continued service). An audit committee member also may not be an "interested person" under the 1940 Act.

Committee Duties and Responsibilities:

To carry out its purposes, the Audit Committee shall have the following duties and responsibilities:

1. with respect to the independent auditors,
 - (i) to be directly responsible for the appointment, compensation, retention and oversight of the work of the independent auditors (including the resolution of disagreements between management and the independent auditors regarding financial reporting), who shall report directly to the Audit Committee; provided that the auditor appointment shall be subject to ratification by the Board;
 - (ii) to be directly responsible for the appointment, compensation, retention and oversight of the work of any registered public accounting firm, other than the independent auditors, engaged for the purpose of preparing or issuing an audit report or to perform audit, review or attestation services, which firm shall report directly to the Audit Committee;
 - (iii) to pre-approve, or to adopt appropriate procedures to pre-approve, all audit and non-audit services to be provided by the independent auditors;
 - (iv) to ensure that the independent auditors prepare and deliver annually an Auditors' Statement (it being understood that the independent auditors are responsible for the accuracy and completeness of this Statement), and to discuss with the independent auditors any relationships or services disclosed in this Statement that may impact the quality of audit services or the objectivity and independence of the Company's independent auditors;
 - (v) to obtain from the independent auditors in connection with any audit a timely report relating to the Company's annual audited financial statements describing all critical accounting policies and practices used, all alternative treatments within generally accepted accounting principles for policies and practices related to material items that have been discussed with management, ramifications of the use of such alternative disclosures and treatments, and the treatment preferred by the independent auditors, and any material written communications between the independent auditors and management, such as any "management" letter or schedule of unadjusted differences;
 - (vi) to review and evaluate the qualifications, performance and independence of the lead partner of the independent auditors;
 - (vii) to discuss with management the timing and process for implementing the rotation of the lead audit partner, the concurring partner and any other active audit engagement team partner, and consider whether there should be a regular rotation of the audit firm itself; and
 - (viii) to take into account the opinions of management in assessing the independent auditors' qualifications, performance and independence;
2. with respect to accounting principles and policies, financial reporting and internal control over financial reporting,
 - (i) to advise management and the independent auditors that they are expected to provide to the Audit Committee a timely analysis of significant issues and practices relating to accounting principles and policies, financial reporting and internal control over financial reporting;
 - (ii) to consider any reports or communications (and management's responses thereto) submitted to the Audit Committee by the independent auditors required by or referred to in SAS 61 (as codified by AU Section 380), as may be modified or supplemented, or required by other professional standards including reports and communications related to:

 - any accounting adjustments arising from the audit that were noted or proposed by the auditors but were passed (as immaterial or otherwise);
 - the responsibility of the independent auditors for other information in documents containing audited financial statements;
 - disagreements with management;
 - consultation by management with other accountants;
 - major issues discussed with management prior to retention of the independent auditors;
 - difficulties encountered with management in performing the audit;
 - the independent auditors' judgments about the quality of the entity's accounting principles; and
 - reviews of interim financial statements conducted by the independent auditors;
 - (iii) to meet with management and/or the independent auditors:
 - to discuss the scope of the annual audit;
 - to discuss the annual audited financial statements and interim financial statements, as applicable;
 - to discuss the report of the outside auditors on the Company's system of internal control required to be filed with the Company's Form N-SAR;

- to discuss any significant matters arising from any audit, including any audit problems or difficulties, whether raised by management or the independent auditors, relating to the Company's financial statements;
 - to discuss any difficulties the independent auditors encountered in the course of the audit, including any restrictions on their activities or access to requested information and any significant disagreements with management;
 - to discuss any "management" or "internal control" letter issued, or proposed to be issued, by the independent auditors to the Company;
 - to review the form of opinion the independent auditors propose to render to the Board of Directors and shareholders;
 - to discuss the Company's compliance with Subchapter M of the Internal Revenue Code of 1986, as amended;
 - to discuss with management and the outside auditors their respective procedures to assess the representativeness of securities prices provided by external pricing services;
 - to discuss with outside auditors their conclusions as to the reasonableness of procedures employed to determine the fair value of securities for which readily available market quotations are not available, management's adherence to such procedures and the adequacy of supporting documentation; and
 - to discuss, as appropriate: (a) any major issues regarding accounting principles and financial statement presentations, including any significant changes in the Company's selection or application of accounting principles, and major issues as to the adequacy of the Company's internal controls and any special audit steps adopted in light of material control deficiencies; (b) analyses prepared by management and/or the independent auditors setting forth significant financial reporting issues and judgments made in connection with the preparation of the financial statements, including analyses of the effects of alternative GAAP methods on the financial statements; and (c) the effect of regulatory and accounting initiatives, as well as off-balance sheet structures, on the financial statements of the Company;
- (iv) to inquire of the Company's chief executive officer and chief financial officer as to the existence of any significant deficiencies or material weaknesses in the design or operation of internal control over financial reporting which are reasonably likely to adversely affect the Company's ability to record, process, summarize and report financial information and as to the existence of any fraud, whether or not material, that involves management or other employees who have a significant role in the Company's internal control over financial reporting;
- (v) to discuss guidelines and policies governing the process by which senior management of the Company and the relevant departments of the Company assess and manage the Company's exposure to risk, and to discuss the Company's major financial risk exposures and the steps management has taken to monitor and control such exposures;
- (vi) to obtain from the independent auditors assurance that the audit was conducted in a manner consistent with Section 10A of the Securities Exchange Act of 1934, as amended, which sets forth certain procedures to be followed in any audit of financial statements required under the Securities Exchange Act of 1934;

 - (ii) to prepare and issue the evaluation required under "Performance Evaluation" below; and
 - (iii) to report its activities to the full Board of Directors on a regular basis and to make such recommendations with respect to the above and other matters as the Audit Committee may deem necessary or appropriate.

Committee Structure and Operations:

The Board shall designate one member of the Committee as its chairperson. The Audit Committee shall meet once each fiscal year, or more frequently if circumstances dictate, to discuss with management the annual audited financial statements. The Audit Committee should meet separately periodically with management and the independent auditors to discuss any matters that the Audit Committee or any of these persons or firms believe should be discussed privately. The Audit Committee may request any officer or employee of the Company or the Company's outside counsel or independent auditors to attend a meeting of the Audit Committee or to meet with any members of, or consultants to, the Audit Committee. Members of the Audit Committee may participate in a meeting of the Audit Committee by means of conference call or similar communications equipment by means of which all persons participating in the meeting can hear each other.

Delegation to Subcommittee:

The Audit Committee may, in its discretion, delegate all or a portion of its duties and responsibilities to a subcommittee of the Audit Committee. The Audit Committee may, in its discretion, delegate to one or more of its members the authority to pre-approve any audit or non-audit services to be performed by the independent auditors, provided that any such approvals are presented to the Audit Committee at its next scheduled meeting.

Performance Evaluation:

The Audit Committee shall prepare and review with the Board an annual performance evaluation of the Audit Committee, which evaluation shall compare the performance of the Audit Committee with the requirements of this charter. The performance evaluation shall also recommend to the Board any improvements to the Audit Committee's charter deemed necessary or desirable by the Audit Committee. The performance evaluation by the Audit Committee shall be conducted in such manner as the Audit Committee deems appropriate. The report to the Board may take the form of an oral report by the chairperson of the Audit Committee or any other member of the Audit Committee designated by the Audit Committee to make the report.

Resources and Authority of the Audit Committee

The Audit Committee shall have the resources and authority appropriate to discharge its duties and responsibilities, including the authority to select, retain, terminate, and approve the fees and other retention terms of special or independent counsel, accountants or other experts and advisors, as it deems necessary or appropriate, without seeking approval of the Board or management.

The Company shall provide for appropriate funding, as determined by the Audit Committee, in its capacity as a committee of the Board, for payment of:

1. Compensation to the independent auditors and any other public accounting firm engaged for the purpose of preparing or issuing an audit report or performing other audit, review or attest services for the Company;
2. Compensation of any advisers employed by the Audit Committee; and
3. Ordinary administrative expenses of the Audit Committee that are necessary or appropriate in carrying out its duties.

**Report of the Audit Committee of
The Board of Directors of General American Investors Company, Inc.**

The purposes of the Company's Audit Committee are set forth in the Committee's Charter included as Exhibit A. The purposes include assisting the Board of Directors in its oversight of the Company's financial reporting process and internal controls, the Company's financial statements and the selection of the Company's independent auditors. Management, however, is responsible for the preparation, presentation and integrity of the Company's financial statements, and the independent auditors are responsible for planning and carrying out proper audits and reviews.

In connection with the audited financial statements as of and for the year ended December 31, 2003 included in the Company's Annual Report for the year ended December 31, 2003 (the "Annual Report"), at a meeting held on January 14, 2004, the Audit Committee considered and discussed the audited financial statements with management and the independent auditors, and discussed the audit of such financial statements with the independent auditors.

In addition, the Audit Committee discussed with the independent auditors the quality, and not just the acceptability under generally accepted accounting principles, of the accounting principles applied by the Company, and such other matters brought to the attention of the Audit Committee by the independent auditors required by Statement of Auditing Standards No. 61, as currently modified or supplemented. The Audit Committee also received from the independent auditors the written statement regarding independence as required by Independence Standards Board Standard No. 1, considered whether the provision of nonaudit services by the independent auditors is compatible with maintaining the auditors' independence and discussed with the auditors the auditors' independence.

The members of the Audit Committee are not professionally engaged in the practice of auditing or accounting and are not experts in the fields of accounting or auditing, including in respect of auditor independence. Moreover, the Committee relies on and makes no independent verification of the facts presented to it or representations made by management or the independent auditors. Accordingly, the Audit Committee's oversight does not provide an independent basis to determine that management has maintained appropriate accounting and financial reporting principles and policies, or internal controls and procedures, designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee's considerations and discussions referred to above do not assure that the audit of the Company's financial statements has been carried out in accordance with auditing standards generally accepted in the United States, that the financial statements are presented in accordance with accounting principles generally accepted in the United States or that the Company's auditors are in fact "independent."

Based on its consideration of the audited financial statements and the discussions referred to above with management and the independent auditors and subject to the limitations on the responsibilities and role of the Audit Committee set forth in the Committee's Charter and those discussed above, the Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report.
