GENERAL AMERICAN INVESTORS COMPANY

**DECLARES YEAR-END DIVIDENDS AND DISTRIBUTIONS
ON COMMON AND PREFERRED STOCK**

NEW YORK – Nov. 1 - Today, the Board of Directors of General American Investors Company, Inc. (NYSE symbol – GAM), a closed-end investment company, declared a combined dividend and distribution of \$2.65 per share on its outstanding shares of common stock as follows:

- A distribution of \$2.10 per share from net long-term capital gains on securities sold.
- A dividend of \$0.55 per share from estimated undistributed net investment income for the full year 2023.

Determination as to taxability will be provided in January 2024. Both amounts are payable on December 28, 2023 to stockholders of record on November 13, 2023, and are to be included in stockholders' Federal income tax returns for 2023. Holders of common stock will receive the dividend and distribution under one of two options:

1. Receive additional full and fractional shares of the Company's common stock for the combined total dividend and distribution of \$2.65 per share or,
2. Elect to receive cash for the dividend and distribution.

The Board of Directors declared on its 5.95% Cumulative Preferred Stock, Series B, a dividend and distribution of \$0.371875 per share payable in cash on December 26, 2023 to holders of record on December 7, 2023. This quarterly dividend and distribution represents a payment for the accrual period from September 25, 2023 through December 25, 2023. Preferred shareholders will be informed in January 2024 as to taxability of the dividend and distribution.
